

Los Angeles – Linda Flora Dr

5 Bedroom / 8 Bathroom / 9,200 Sq. Ft.

ABOUT THE PROPERTY

Brand new modern masterpiece in Bel Air with exceptional ocean and city views! A grand entrance overlooking the outside deck featuring an infinity pool and spa. The main floor offers an open floor plan consisting of an elegant luxurious kitchen with Miele appliances, a living space with full ocean views, an office/bedroom, automated Fleetwood custom windows, and grand dining space overlooking the outside deck and pool. The upstairs living floor features an exclusive master suite with dreamy views and steam shower, and two large guest bedrooms. The lower level features it all - a fifth bedroom, a wine room, screening room, full bar, gym and outdoor deck which connects to the upper deck. The rooftop offers a full fireplace and BBQ with views of the coastline.
